REMEMBERING

Nancy Hack

March 28, 1927 - June 6, 2019

Nancy was a blessing to everyone she met.

She worked as a nurse and was a supervisor at Penticton Regional Hospital. She loved travel and was able to see much of the world in her lifetime. Although she had no children she had many nieces and nephews whom she loved dearly. She is missed by family and the many friends she has made over the years.

Now she can rest in peace in the arms of her Lord.
